## Family Plan Info

The Family Plan is designed to enable patients that do not have dental insurance to be able to receive routine care without a significant expense.

Included in the once yearly fee are semi-annual exams, x-rays, and two basic cleanings.

Once plan is activated for either an individual or a family, our dental services are provided for at least a 15% discount off of the standard fees. Some services are offered at even deeper discounts up to 50% off.

This Family Plan offers straightforward and upfront pricing for all dental services.

### Yearly Cost:

\$149 Individual

\$249 Family\*

One time fee includes semiannual exams, x-rays, and basic cleanings.

Discounts on ALL other services.

NO HIDDEN FEES.

\*Family cost will include up to 5 members of the same family living at the same residence.

### Included at NO CHARGE:

- Semiannual Exams
- All needed X-rays
- Two Basic Cleanings
